Dear Mr. Marvin Burch,

Marvin, just wanted to drop a personal note of appreciation to you and your AAC Team of professionals that executed the emergency repairs at The Dalles Lock last month.

As you know, I visited the site numerous times and was very much impressed with AAC's sense of urgency, safety alertness, and overall quality workmanship. Additionally, Mr. Mike Johns really stood out as a make it happen construction leader that I am sure you are proud of.

Thanks again for your partnership and teamwork!

Sincerely,

STEVEN R. MILES, P.E.
